COVER LETTER

Dear Hiring Manager,

I am submitting my resume for the position of QA Tester. As a skilled and highly educated professional with 6 years of experience testing Web-based applications, I am confident of my ability to make a significant contribution to your organization.

My professional experience includes analyzing the business requirements, creating test strategies, and executing tests to identify bugs in new software and create and maintain automation packs for the same.

With my educational background and my attention to detail and performance, I am in an excellent position to help your organization to produce top-quality software products.

The following are some Skills and highlights of my qualifications and experience:

- Working experience on Selenium WebDriver using Java for UI testing.
- Working Knowledge of tools like JIRA, Hp ALM, and Hp QC
- Experience in Azure Test plans, Pipelies
- UI Testing
- Experienced all phases of Agile and Waterfall models.
- Frameworks using Nunit (Page object Model, Data-Driven, Page Factory, etc.)
- Git and GitHub knowledge.
- Blackbox Testing (System, System Integration, Smoke, Sanity, Regression, Ad-hoc)
- Complete knowledge of SDLC and STLC and Bug life cycle.
- Team Leading experience
- Basic Knowledge of Rest API(Postman)

My keen knowledge of software testing, review, and validation—along with my ability to think of innovative solutions and present them to clients—will allow me to bring much value to your organization. I look forward to discussing this position and my qualifications with you.

Thank you for your consideration.

Regards,
